Important Information

- All participants must be registered as part of a group with a group leader taking responsibility for adhering to the payment, cancellation, and paperwork policies.
- The required chaperone to youth ratio is 1 chaperone for up to every 8 youth of the same gender.
- Chaperones must be 21 years of age or older.
- Youth participants must be age 18 or younger and incoming freshman through just graduated seniors.
- Since it is a high school youth conference, young adults ages 19 & 20 who wish to attend the conference should apply to volunteer at the conference as they cannot be registered with a group.

Housing Information

- In order to arrange housing for all conference participants, it is imperative that the following deadlines are met. Please help us help you by submitting information in a timely fashion!
- For Safe Environment reasons, 18 years olds cannot be housed with minors or with chaperones. They can only be housed with other 18 year olds. So there are 3 age categories (minor, 18 yr old, chaperone) that must be considered when submitting housing numbers.
- You will need to submit the breakdown of gender and age category of all participants in your group so that housing can be blocked for your group **no later than May 15.**
- **After May 15, the breakdown of males/females and minors/18 year olds/chaperones in your group is final and cannot be changed.** If you have a participant who is no longer able to attend after the housing numbers have been submitted, you are welcome to replace that person with another person of the same gender and same age category.
- Once you receive your group's assigned rooming block, you will then assign individuals to specific rooms and submit a **completed rooming list.** This will ensure smooth and quick check-in upon arrival.
- Please note that in order to accommodate as many teens as possible at the conference, every bed available on campus will be used. This means that it is highly likely your parish will be sharing rooms and/or suites with participants from other groups attending the conference. Please embrace this opportunity to make new friends and encourage your participants to do the same.
