

Hospitality Team

Ministry Description: Hospitality is an integral part of this role. This team will work the outpost, provide hospitality for all camp guests and work in the Art Barn. It requires a servant's heart and attention to detail as well as responsible handling of money. This will mean little things such as making welcome signs, washing and putting away dishes, and folding t-shirts to big things such as making beds to a professional standard. We hope to make our homes as ready as we'd want them to be if we were welcoming the Lord himself. We also need to be accountable to the Lord for the money which we raise in the outpost and Art Barn which makes camp possible. Our hope is that in the Fall, teens can look at a t-shirt or rosary from camp and remember their encounter with Christ at summer camp. You will be asked to keep this in mind as you work until the job is done.

Several days a week you will set-up, open and run the Art Barn or the Outpost. You will be responsible for stocking and selling materials (craft supplies, t-shirts, sodas, snacks, etc.) as well as cleaning up afterwards. The Art Barn and Outpost present great opportunities to reach out to teens so we encourage you to be relational with the teens!! This role requires good time management, attention to detail, and a friendly disposition. You may also be asked to help with other camp tasks such as preparing for family dinner, driving into Atlanta for camp related things (i.e. airport runs, equipment pick-up, etc.) and helping with the facilitation of high ropes.

The main tasks each week include:

1. Guest Hospitality
